Dear _____________________________,

Zonta Club of Cleveland is a local affiliate of Zonta International which is a global organization of executives and professionals working together to empower through service and advocacy. It was founded in 1921 and in its ninety-eight years has served the Cleveland community by getting involved in service and advocacy projects that are in line with the mission of empowering women through service and advocacy. These projects include volunteering at the Mayor Frank Jackson's Holiday Basket Give-Away; provided much needed items to furnish an apartment at Family Promise, an organization whose mission is to inspire and empower homeless families to transform their lives, become self-sufficient, and fulfill their promise; assembled birthing kits for clean and safe birthing in developing countries.

In addition, the Zonta Club of Cleveland offers scholarships in the amount of one thousand dollars to support the educational aspirations of women. These scholarships should encourage women who have the potential to become future leaders and support the mission of Zonta. These scholarships should make a significant difference in the awardee's educational experience by supporting them through upper college years and, if appropriate, beyond in postgraduate work.
